FAQ

ARE FILL PRODUCTS CRUELTY FREE?

YES. WE SOURCE RAW MATERIALS FROM SUPPLIERS THAT DON'T TEST ON ANIMALS. WE'RE CRUELTY FREE APPROVED BY THE LEAPING BUNNY PROGRAM.

ARE FILL PRODUCTS VEGAN?

YES. WE DON'T USE ANIMAL-DERIVED RAW MATERIALS. NO ANIMALS ARE HARMED IN OUR RAW MATERIAL SUPPLIER'S PROCESSES.

ARE FILL PRODUCTS AVAILABLE FRAGRANCE FREE?

YES, ALL OF THEM. WE'VE MADE SURE THAT ALL UNSCENTED PRODUCTS CONTAIN NO ADDED FRAGRANCE.

WHY GLASS BOTTLES?

PLASTIC IS A PROBLEM. WE ALL KNOW THAT. WE WANT TO HELP KEEP PLASTIC OUT OF THE SYSTEM. WE PROMOTE REFILL, RECYCLING, AVOIDING SINGLE USE AND BULK SUPPLY.

FILL BOTTLES ARE SCREEN PRINTED NOT LABELLED. OUR REFILLABLE 500ML GLASS BOTTLES ARE MADE IN THE EU USING 40% CULLET (RECYCLED WASTE GLASS). THEY ARE 100% RECYCLABLE. MORE IMPORTANTLY, THEY ARE 100% REFILLABLE AND CAN BE FILLED OVER AND OVER AND OVER - EVEN IF YOU DON'T REFILL WITH FILL.

WE'VE GONE FURTHER THAN MOST BY ENSURING THAT OUR BOTTLES ARE PRINTED WITH ALL THE NECESSARY PRODUCT INFORMATION AND CLP LABELLING, TO MINIMISE ANY RISK ASSOCIATED WITH REFILLING INTO FOOD CONTAINERS OR RANDOM EMPTY VESSELS.

CAN CUSTOMERS FILL THEIR OWN CONTAINERS?

YES, THEY CAN (ALTHOUGH WE THINK FILL BOTTLES LOOK COOL). WE'VE MADE A SET OF DOWNLOADABLE FILL LABELS. JUST PRINT AND APPLY TO WHATEVER CONTAINER YOU'D LIKE TO REFILL.

WE WANT TO MAKE IT AS EASY AS POSSIBLE FOR YOU TO REDUCE WASTE.

SEND YOUR REQUESTS OR IDEAS TO [PAM@ECOHOMESUPPLIES.CO.UK](mailto:pam@ecohomesupplies.co.uk) AND WE'LL TRY TO MAKE IT HAPPEN!
